EDUCATION

JIS College of Engineering

2020 - Present

B.Tech in Electronics and Communication

Engineering – 8.74 CGPA

Naihati Mahendra High School

2019 - 2020

Higher Secondary Education (XII) – 75.4%

Naihati Narendra Vidyaniketan

2017 - 2018

Secondary Education (X) – 59.86%

PROJECTS

1. Lmsshiksha – A learning management system

This project is developed using web technology. Lmsshiksha provides students and faculties an easy way of online learning by it's user friendly interface. It contains several dashboards for respective users to manage and use Lmsshiksha. **Tools:** HTML, CSS, JavaScript, PHP, MySQL. Visit: lmsshiksha.freewebhostmost.com

2. Votes – A voting management system

This project is developed to address the problem with traditional voting system. All the process of voting remains exactly the same but now voters can cast their vote from anywhere, through logging in to their account with their credentials. Candidates can apply from there region and after approval they are visible to voters. Admin can see the vote analytics. **Tools:** HTML, CSS, Bootstrap, JavaScript, PHP, MySQL. Visit: votes.freewebhostmost.com

CERTIFICATION

- HackerRank certification on Python (Basics).
- NPTEL certification on developing soft-skills and personality.

ACHIEVEMENTS

- Paper publication on Stable Flight Intelligence Technology for Stable & Autonomous multipurpose drone (UGC CARE Group-1, ISSN: 0970-2555). Date: 13-06-2024.
- Secured 1st position in project competition (Autonomous and multipurpose drone). 1st position in water robotics and 2nd position in sand rover racing in college Techfest (JISTech2k23).

I acknowledge that all the above information about me is true to the best of my knowledge.
